STUDENT TUITION RECOVER FUND STATEMENT

The State of California established the Student Tuition Recovery Fund (STRF) to relieve or mitigate economic loss suffered by a student in an educational program at a qualifying institution, who is or was a California resident while enrolled, or was enrolled in a residency program, if the student enrolled in the institution, prepaid tuition, and suffered an economic loss. Unless relieved of the obligation to do so, you must pay the state-imposed assessment for the STRF, or it must be paid on your behalf, if you are a student in an educational program, who is a California resident, or are enrolled in a residency program, and prepay all or part of your tuition. You are not eligible for protection from the STRF and you are not required to pay the STRF assessment, if you are not a California resident, or are not enrolled in a residency program.

It is important that you keep copies of your enrollment agreement, financial aid documents, receipts, or any other information that documents the amount paid to the school. Questions regarding the STRF may be directed to: The Bureau for Private Postsecondary Education, 1747 N. Market Blvd. Ste 225, Sacramento, CA 95834, PO Box 980818 West Sacramento, CA 95798-0818. Web site Address: www.bppe.ca.gov. Telephone and Fax #'s: (888) 370-7589 or by fax (916) 263-1897, (916) 574-8900 or by fax (916) 263-1897

To be eligible for STRF, you must be a California resident or are enrolled in a residency program, prepaid tuition, paid or deemed to have paid the STRF assessment, and suffered an economic loss as a result of any of the following:

1. The institution, a location of the institution, or an educational program offered by the institution was closed or discontinued, and you did not choose to participate in a teach-out plan approved by the Bureau or did not complete a chosen teach-out plan approved by the Bureau.
2. You were enrolled at an institution or a location of the institution within the 120-day period before the closure of the institution or location of the institution or were enrolled in an educational program within the 120 day period before the program was discontinued.
3. You were enrolled at an institution or a location of the institution more than 120 days before the closure of the institution or location of the institution, in an educational program offered by the institution as to which the Bureau determined there was a significant decline in the quality or value of the program more than 120 days before closure.
4. The institution has been ordered to pay a refund by the Bureau but has failed to do so.
5. The institution has failed to pay or reimburse loan proceeds under a federal student loan program as required by law, or has failed to pay or reimburse proceeds received by the institution in excess of tuition and other costs.
6. You have been awarded restitution, a refund, or other monetary award by an arbitrator or court, based on a violation of this chapter by an institution or representative of an institution, but have been unable to collect the award from the institution.
7. You sought legal counsel that resulted in the cancellation of one or more of your student loans and have an invoice for services rendered and evidence of the cancellation of the student loan or loans.

To qualify for STRF reimbursement, the application must be received within four (4) years from the date of the action or event that made the student eligible for recovery from STRF. A student whose loan is revived by a loan holder or debt collector after a period of non-collection may, at any time, file a written application for recovery from STRF for the debt that would have otherwise been eligible for recovery. If it has been more than four (4) years since the action or event that made the student eligible, the student must have filed a written application for recovery within the original four (4) year period, unless the period has been extended by another act of law. However, no claim can be paid to any student without a social security number or a taxpayer identification number.

Each qualifying institution shall collect an assessment of zero dollars (\$0.00) per one thousand dollars (\$1,000) of institutional charges, rounded to the nearest thousand dollars, from each student in an educational program who is a California resident or is enrolled in a residency program. For institutional charges of one thousand dollars (\$1,000) or less, the assessment is zero dollars (\$0).

SATISFACTORY ACADEMIC PROGRESS POLICY

The Higher Education Act mandates that institutions of higher education establish minimum of “Satisfactory Academic Progress” for Students. Paris Beauty College applies these standards to all Students consistently, regardless of whether or not they are financial aid recipients. This policy is printed in the school catalog to assure that all students receive a copy prior to starting classes.

Students must demonstrate satisfactory academic progress toward completing their programs by meeting Paris Beauty College’s established standards. Satisfactory academic progress is a measure of students’ qualitative (academics) and quantitative (attendance) progress as defined below. Evaluations take place as follows:

Manicuring Course at mid-point and end of course, (200 and 400 actual hours)

Esthetician Course at mid-point and end of course, (300 and 600 actual hours)

Cosmetology Course at mid-point and at end of academic year, and end of course, (450, 900, and 1000 actual hours) (An academic year is a minimum of 30 weeks and 900 clock actual hours)

Transfer Students at midpoint of the contracted hours or the established evaluation periods, whichever comes first.

The Registrar will notify students when evaluation report is completed. The report will be reviewed with students and copies will be made available.

GRADING PROCEDURES

Quantitative Evaluation (ATTENDANCE): Students are expected to complete their program in 150 percent of the normal timeframe established for completion. Evaluations are based on the cumulative attendance percentage. Attendance percentage is determined by dividing the total hours accrued by the total number of hours scheduled. Therefore, at each evaluation period, the school will determine if the student has maintained at least 75 % cumulative attendance since the beginning of the course which indicates that, given the same attendance rate, the student will graduate within the maximum time frame allowed and the student will be deemed making satisfactory progress. When a student hits an evaluation point, he/she will be notified. The results of the evaluation will be reviewed with the student.

MAXIMUM TIME FRAME

All Students must complete their program within a specified time frame. Course completion cannot exceed one and one half times the course length. (See chart below). The time used during an authorized leave of absence is not included in Program Time Frame, and adjustments will be made to reflect extended time frame, so as not to penalize students for an approved leave of absence. The Student will return to same status after leave as existed at beginning of leave (satisfactory, probation, or unsatisfactory). A leave of absence extends the student’s contract period and the maximum time frame by the same number of days taken in the leave of absence. Other interruptions of attendance will have to be considered by Director to determine extenuating circumstances. All decisions by Director are final. Students who have not completed the course within the maximum timeframe may continue as a student at the institution on a cash pay basis.

The maximum time allowed (which does not exceed one and one half times the course length) for students to complete each course and be considered making satisfactory progress is stated below:

		MINIMUM TIME FRAME	MAX TIME ALLOWED	SCHEDULED HRS.	
MANICURING	@ 40 hrs/week	FULL TIME	10 WEEKS	15 WEEKS	600
400 hours total	@ 20 hrs/week	PART TIME	20 WEEKS	30 WEEKS	600
COSMETOLOGY	@ 40 hrs/week	FULL TIME	25 WEEKS	38 WEEKS	1500
1000 hours total	@ 20 hrs/week	PART TIME	50 WEEKS	75 WEEKS	1500
ESTHETICIAN	@ 40 hrs. week	FULL TIME	15 WEEKS	23 WEEKS	900
600 hours total	@ 20 hrs/week	PART TIME	30 WEEKS	45 WEEKS	900

The maximum time allowed for transfer students who need less than the full course requirements will be determined based on 75% of the schedule hours. Transfer hours from another institution that are accepted toward the student’s educational program are counted as both attempted and completed hours for the purpose of determining when the allowable maximum timeframe has been exhausted. SAP evaluation periods are based on actual contracted at the institution.

Qualitative Evaluation (ACADEMIC): Students are expected to maintain a 75% cumulative grade point average (CGPA) of their combined practical and written grades to be deemed making satisfactory academic progress during an evaluation period.

At least two comprehensive practical and written skills exams will be conducted during the course of study. The first written and practical skills exam will be taken at the student’s completion of the freshman level. All students must pass this level before continuing. If a student fails the freshman final exam, he/she will be allowed to repeat the class. The student’s second comprehensive written and practical exam is the mandatory baby board exam (also known as a mock state board exam). These exams must be taken some time between the student’s halfway point and the completion of their course. The baby board exams can be taken as many times as the student wants but must be taken and passed at least once for the student to receive his/her diploma. Practical skills are evaluated according to the procedures set forth by the Board of Barbering and Cosmetology and evaluation criteria adopted by the Paris Beauty College. Theory class will require written exams to be taken in each of the chapters of study as set for by guidelines from the California Board of Barbering and Cosmetology and Paris Beauty College. Students must make up failed or missed tests and incomplete assignments. Numerical and Letter grades are considered according to the following scale.

90% - 100%	=	A	Excellent
80% - 89%	=	B	Very Good

70% - 79%	=	C Satisfactory
60% - 69%	=	D Below Standards – Unsatisfactory
0% - 59%	=	F Below Standards – Unsatisfactory

Due to varied capabilities of individual Students, some may progress from one level of training to another at a more rapid rate. However, all Students will be required to satisfactorily complete all subjects prior to graduation unless credit has been allowed for previous training or experience in a particular subject area.

DETERMINATION OF PROGRESS

Students meeting the minimum 75% requirement for academics and 75% attendance at the scheduled evaluation point are considered to be making SATISFACTORY ACADEMIC PROGRESS until the next scheduled evaluation. For a student to be making satisfactory academic progress as of course midpoint, the student must meet 75% in both attendance and 75% academic requirements on at least one evaluation by midpoint in the course. When calculating attendance, a leave of absence will extend a student’s contract end period and maximum time frame by the same number of days taken in the leave of absence. The frequency of evaluations ensures that students have ample opportunity to meet both the attendance and academic progress requirements of at least one evaluation by midpoint in the course. The Registrar will notify students when an evaluation report is complete. The report will be reviewed with student and copies will be available upon request.

WARNING POLICY

Students who fail to meet minimum requirements for attendance or academic progress are placed on warning and considered to be making satisfactory academic progress during the warning period. The student will be advised in writing on the actions required to attain satisfactory academic progress by the next evaluation. If at the end of the warning period, the student has still not met both the attendance and academic requirements, he/she may be placed on probation.

PROBATION POLICY

Students who fail to meet minimum requirements for attendance or academic progress after the warning period will be placed on probation and considered to be making satisfactory academic progress while during the probationary period, if the student appeals the decision, and prevails upon appeal. Additionally, only students who have the ability to meet the Satisfactory Academic Progress Policy standards by the end of the evaluation period may be placed on probation. Students placed on an academic plan must be able to meet requirements set forth in the academic plan by the end of the next evaluation period. Students who are progressing according to their specific academic plan will be considered making Satisfactory Academic Progress. The student will be advised in writing of the actions required to attain satisfactory academic progress by the next evaluation. If at the end of the probationary period, the student has still not met both the attendance and academic requirements required for satisfactory academic progress or by the academic plan, he/she will be determined as NOT making satisfactory academic progress and may be dropped from their program.

RE-ESTABLISHMENT OF SATISFACTORY ACADEMIC PROGRESS & REINSTATEMENT OF FINANCIAL ELIGIBILITY

Students who have lost eligibility for financial aid may re-establish by meeting their minimum academic and attendance average, by the end of the probation period. If after this period, Student is still in unsatisfactory progress, they may be dropped from the course of study at the discretion of the Director.

In case of extenuating circumstances, special arrangements may be made with school officials. These will be handled on an individual basis. The probation period and reinstatement period apply to all Students. Those Students dropped for unsatisfactory progress will have to wait 60 days before being allowed to reapply for enrollment. If accepted after the 60 days, the student will re-enter under the same satisfactory academic progress status as in place at the time student left.

ACADEMIC REVIEW PROCEDURES AND APPEAL PROCESS

If a student is determined to not be making satisfactory academic progress, the student may appeal the determination within ten calendar days. Reasons for which students may appeal a negative progress determination include death of a relative, an injury or illness of the student, or any other allowable special or mitigating circumstance. The student may submit a written or verbal appeal to the school describing why they failed to meet satisfactory academic progress standards, along with supporting documentation of the reasons why the determination should be reversed. This information should include what has changed about the student’s situation that will allow them to achieve Satisfactory Academic Progress by the next evaluation point. Appeal documents will be reviewed, and a decision will be made and reported to the student within 30 calendar days. The appeal and decision documents will be retained in the student file. If the student prevails upon appeal, the satisfactory academic progress determination will be reversed and federal financial aid will be reinstated, if applicable.

NON-CREDIT REMEDIAL COURSES

Non-credit remedial, course incomplete, and repetition courses do not apply to this institution. Therefore, these items have no effect upon the school’s satisfactory progress standards.

MAKE-UP TIME POLICY

Students are expected to make up missed days and exams. Students may utilize the various school schedules and classes to complete make up time and exams. All attendance make-up time will be done during normal school hours but in the Student's non-scheduled class time.

SUSPENSION AND TERMINATION POLICY

Suspension or termination from Paris Beauty College may happen if the student participates in any of the following:

DIPLOMAS AND CERTIFICATES OF COMPLETION

Upon satisfactory completion of the required course hours and course requirements, a diploma will be given to the student. Also, a certificate of completion will be issued. This certificate known as the Proof of Training (POT) will then become part of the application for examination for your State of California License.

Students are required to follow defined rules of conduct and to meet certain employability standards. You are paying to learn a trade and so are the other students, therefore, we take your investment seriously and so should you.

Disruptions of class will not be tolerated at any time. *Paris Beauty College* reserves the right to terminate and withdraw from school any student who abuses either staff or fellow classmates or interferes with normal classroom activity or clinic operations or whose work or conduct is deemed unsatisfactory. A Student who is dismissed for misconduct will be furnished a written statement, which outlines the reason for such action and a withdrawal calculation will be completed. See Institutional Refund/Withdraw Policy. A Student dismissed for misconduct may be permitted to re-enroll and resume training provided at the discretion of the School.

DRUG ABUSE POLICY

The School fully supports Drug-Free Schools and Communities Act of the United States Congress. In cooperation with other agencies and organizations, we provide a program of education on the dangers of substance use and abuse. The program uses pamphlets, books, and posters describing the effects that drugs have on physical and mental health. Advising and counseling is provided when deemed necessary as well as to those who request assistance. We make available to our students, informative materials on State, Federal, and local legal sanctions against drug use. Additionally, we provide information on counseling, treatment, and rehabilitation programs in the area.

ATTENDANCE POLICY

Students are expected to attend 20 to 40 hours per week, 4 to 8 hours per day, Tuesday through Saturday. Students are expected to be regular in attendance and maintain a minimum 75% cumulative attendance average grade. Absence from classes can seriously affect the student’s progress. The instructor may excuse an absence and the student can receive full credit upon completion of the prescribed work. Excessive absenteeism will be reviewed by the administration and can result in the dismissal or suspension of the student until such time as that student can continue in School without such absences. Student’s individual schedules will be discussed during initial interviews and registration periods. The following are possible schedules & are examples only:

Part Time / 20-24 hrs. Per Week

8:30-12:30 Tues.- Fri. & Saturday 8:30-5:00

5:30-9:30 Tues. - Thurs. & Saturday 8:30- 5:00

Full Time / 40 hr. Per Week

All lesson assignments which were missed during any period of absence must be made up. Make-up work will not be permitted during regular class hours. A record of make-up work is maintained for each student who is required to perform this type of work. Students are not allowed into theory class late if class has already begun. However, students can be clocked in and studying from their course textbook on the main floor and receive theory credit. Unexcused absences, including absences due to tardiness, may result in suspension or dismissal from school. See the Satisfactory Progress Policy statement of 75% attendance requirement. Students are required to make up all prescribed work or exams.

LEAVE OF ABSENCE POLICY, INTERRUPTIONS, COURSE INCOMPLETES, WITHDRAWALS

A **leave of absence** is granted for legitimate emergencies and the school will assess that there is reasonable expectation that the student will return. Request must be in advance, in writing, including the reason for the request. If unforeseen circumstances prevent the student from applying in advance, the school may grant a LOA by documenting the reason for their decision and collect a written request at a later date. A leave of absences cannot exceed more than 90 days in a 12-month period. If enrollment is temporarily interrupted for a Leave of Absence, the student will return to school in the same progress status as prior to the leave of absence. Hours elapsed during a leave of absence will extend the student's contract period and maximum time frame by the same number of days taken in the leave of absence and will not be included in the student's cumulative attendance percentage calculation. Students who withdraw prior to completion of the course and wish to re-enroll will return in the same satisfactory academic progress status as at the time of withdrawal. Any Student who finds it necessary to withdraw must notify the Admissions Office promptly, in writing, of his/her intention to discontinue classes, stating his/her reasons in full. An instructor cannot dismiss students. Such dismissals are to be sanctioned only by the school administrator or director or by state or federal counselors. Students must abide by all college rules and regulations concerning unexcused absences, habitual tardiness, and use of abusive language, failure to make up work, failure to make tuition payments. The institution may not assess the student any additional institutional charges as a result of the LOA. A student granted a LOA that meets these criteria is not considered to have withdrawn, and no refund calculation is required at that time. At an institution that is not required to take attendance, if a student does not return to the institution at the expiration of an approved LOA (or a student takes an unapproved LOA), the student's withdrawal date is the date the student began the LOA. At an institution required to take attendance, the withdrawal date for the purpose of calculating a refund is always the student's last day of attendance.

CAREER OPPORTUNITIES /HEALTH AND SAFETY INFORMATION

Ambitious capable women and men, after comparatively short experience, will find the door open for many interesting, well-paid positions. Monetary compensation in the beauty industry may start as low as minimum wage for a person wanting to go into personal assisting programs. On average newly licensed individuals may start out making \$12.00 to \$20.00 per hour. Remember tips will be a big part of your weekly take-home pay also. How much you will make in your profession will vary on many things such as location of employment, hourly pay vs. commission pay, etc. Each employer will be different. Remember that this field is very individual, and you are basically your own boss. It is up to you how much effort you want to put into your business and how much of a reward you want in return.

Before entering any new career, you must prepare yourself for the possible physical and mental demands it may require. Some of these courses may require one to stand or to sit for long periods at a time. Sturdy shoes and good backs and posture are important in keeping you healthy over the long run. If you have been diagnosed with back troubles or carpal tunnel syndrome, you may need to consider the fact that these courses may require you to do a lot of work which can affect these disabilities. If you have certain learning disabilities, you may find the studies more challenging. People with learning or physical limitations are encouraged to visit a school or salon and observe the demands that will be placed on you.

During your time as a student, you will encounter all different kinds of people from all walks of life. Everyone is treated equally and fairly. Your job will ultimately be "to serve the public" therefore, keep in mind you may or may not encounter people with different lifestyles than your own and possible ones with illnesses or disease. You will be taught during theory classes how to recognize some types of illnesses and diseases and how to treat the situation. It is to your benefit, and others, to become as knowledgeable as possible in health and safety issues.

The following list shows just some of the many positions available in the different fields:

COSMETOLOGY: Hairstylist, Hair Colorist, Manicurist, Make-Up Artist, Facialist, Wig & Hair piece specialist, Skin, Hair, and Scalp Specialist. Platform artist.

ESTHETICIAN: Facialist, Make-Up Technician for TV and Modeling, Make-Up Specialist, Chemical Peel Specialist, Hair Removal specialist, Esthetician for doctors of Dermatology or Plastic Surgery.
